

# The Merrifield Satellite Symposium

Crossroads  
of  
Chemistry  
and Biology

Celebrating  
Bruce Merrifield's  
Eightieth Birthday

June 15, 2001 • San Diego, California

# Symposium Program

Friday Morning, June 15, 2001

**7:00 am** Registration and Distribution of Materials  
Town & Country Resort & Convention Center, South Atlas Foyer

## Session I Town & Country Resort & Convention Center Atlas Ballroom / California Room

Chair

Arthur M. Felix, Ramapo College of New Jersey, Mahwah, NJ

**8:00 am** Welcome and Introduction

**8:15 am** Video . . . . . "Peptide and Protein Synthesis:  
Origin and Development"

**9:15 am** K.C. Nicolaou . . . . . The Scripps Research Institute &  
University of California San Diego, CA  
"Solid Phase Chemical Synthesis of Complex  
Natural Products and Combinatorial  
Libraries Thereof"

**9:55 am** James P. Tam . . . . . Vanderbilt University, Nashville, TN  
"Ligation Chemistry"

**10:35 am** Wes Cosand . . . . . Bristol Myers Squibb, Princeton, NJ  
"Proteomics in a Post-Genome World"

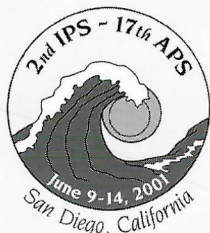

**11:15 am** Richard A. Houghten . . . . . Torrey Pines Institute for Molecular Studies and  
Mixture Sciences, Inc., San Diego, CA  
"Parallel Synthesis and Mixture-Based  
Combinatorial Libraries:  
Faster, Cheaper and Farther"

**12:00 am – 12:45 pm** . . . . . Lunch  
Town & Country Resort & Convention Center  
Atlas Ballroom / Golden West Room

# Symposium Program

Friday Afternoon, June 15, 2001

## Session II Town & Country Resort & Convention Center Atlas Ballroom / California Room

Chair

Alexander R. Mitchell, Lawrence Livermore National Laboratory, Livermore, CA

- 12:45 pm** Peter G. Schultz . . . . .The Scripps Research Institute & Genomics  
Institute of Novartis Research Foundation,  
San Diego, CA  
“New Opportunities at the Interface of  
Chemistry and Biology”
- 1:20 pm** Murray Goodman . . . . .University of California  
San Diego, CA  
“Peptidomimetics for Drug Design”
- 2:00 pm** The Merrifield Years . . . . .A Candid Review by Former Students  
Garland Marshall . . . . .Washington University, St. Louis, MO  
Arnold Marglin . . . . .Boston University Medical School, Boston, MA  
David Krieger . . . . .Gastrointestinal Medical Center, Valencia, CA  
Michael Draper . . . . .Lilly Research Laboratories, Indianapolis, IN  
George Barany . . . . .University of Minnesota, Minneapolis, MN  
Svetlana Mojsov . . . . .The Rockefeller University, New York, NY  
William Heath . . . . .Lilly Research Laboratories, Indianapolis, IN  
Cecille Unson . . . . .The Rockefeller University, New York, NY
- 3:30 pm** Concluding Remarks . . . . .Alexander R. Mitchell
- 4:00 pm** Symposium Social Event . . . .Picnic In The Park,  
Embarcadero Park, San Diego, CA

## Planning Committee

Svetlana Mojsov . . . . .The Rockefeller University, New York, NY  
Arthur M. Felix . . . . .Ramapo College of New Jersey, Mahwah, NJ  
Cecille Unson . . . . .The Rockefeller University, New York, NY  
Alexander R. Mitchell . . . . .Livermore National Laboratory, Livermore, CA  
George Barany . . . . .University of Minnesota, Minneapolis, MN  
Elizabeth Merrifield . . . . .The Rockefeller University, New York, NY

## Acknowledgements

Support for the Merrifield Satellite Symposium was  
generously provided by the following:

Lilly Research Laboratories, Indianapolis, IN  
The American Peptide Society  
Mixture Sciences, Inc., San Diego, CA  
Robert and Betsy Feinberg  
George and Barbara Barany  
Garland and Suzanne Marshall  
Professor Thomas P. Sakmar  
David Live
