

SCIENCE FOR THE BENEFIT OF HUMANITY

A TRIBUTE TO BRUCE MERRIFIELD
CELEBRATING HIS SCIENTIFIC LIFE AND ACHIEVEMENTS

Monday, November 13, 2006

MORNING PROGRAM • 9:00 a.m. to 12 noon
Caspary Auditorium

	CHAIR Arthur M. Felix Ramapo College of New Jersey
9:00–9:20 a.m.	WELCOME AND INTRODUCTION Paul Nurse, <i>President</i> The Rockefeller University David Rockefeller, <i>Honorary Chairman,</i> <i>Life Trustee</i> The Rockefeller University
9:20–9:40 a.m.	Arthur M. Felix Brief Biography of R. Bruce Merrifield
9:40–10:00 a.m.	Presentation of American Chemical Society Award Citation for Chemical Breakthroughs Jeffrey I. Secman, <i>Division of History</i> American Chemical Society
10:00–10:10 a.m.	Jane Aldrich, <i>President</i> American Peptide Society
10:10–10:30 a.m.	Video: "Invention and Development of Solid Phase Peptide Synthesis"
10:30 a.m.–12 noon	The Merrifield Years: John M. Stewart University of Colorado Maurice Manning University of Toledo College of Medicine Arnold Marglin Weymouth, Massachusetts Robert S. Hodges University of Colorado Cecille Unson The Rockefeller University

LUNCH BREAK • 12 noon to 1:30 p.m.

AFTERNOON PROGRAM • 1:30 to 4:00 p.m.
Caspary Auditorium

	CHAIR Alexander R. Mitchell Lawrence Livermore National Laboratory
1:30–1:50 p.m.	Garland R. Marshall Washington University School of Medicine Across the Bench from Bruce—the Early Years
1:50–2:10 p.m.	Bernd Gutte University of Zurich Solid Phase Synthesis for a Lifetime
2:10–2:30 p.m.	George Barany University of Minnesota Chemistry of Carbamoyl Disulfides
2:30–2:50 p.m.	Richard D. DiMarchi Indiana University Think Different-Ps 118.22-23
2:50–3:10 p.m.	James P. Tam The Scripps Research Institute To Protect or not Protect: A Journey to Synthetic Protein
3:10–3:30 p.m.	David Andreu Pompeu Fabra University The Merrifield Contribution to the Field of Antibiotic Peptides
3:30–4:00 p.m.	CONCLUDING REMARKS Alexander R. Mitchell

CLOSING RECEPTION • 4:00 to 5:00 p.m.
Abby Aldrich Rockefeller Lounge
